

Pablo Fuentes

Senior Frontend Engineer

✉ pablofuentessanzfuentes@gmail.com ☎ +34 638781148 📍 Madrid, Spain 🔗 pablofuentes.vercel.app

SUMMARY

Senior Frontend Engineer with **6+ years** of experience specializing in scalable ecosystems, Microfrontends, and high-traffic platforms (**14M+ monthly visits**). Proven expertise in high-discipline environments driving engineering excellence through 100% **TDD**, **XP**, and **DDD**.

PROFESSIONAL EXPERIENCE

Senior Frontend Engineer

Mercadona Tech 🔗

11/2024 – Present

Valencia, Spain

Spearheaded the frontend architecture for core business verticals, while leading high-visibility projects like Mercadona's new **Generative AI Chat assistant** (14M+ monthly visits).

- **Enforced** strict 100% **Test-Driven Development (TDD)** and continuous XP to ensure zero-regression delivery.
- **Managed** high-stakes rollouts utilizing **Feature Flags** and **Canary Deployments**.
- **Championed** web accessibility (**a11y**) to build highly inclusive, customer-centric digital products.

Senior Frontend Engineer

Inditex (ADC) 🔗

11/2023 – 11/2024

Madrid, Spain

Architected a core B2B platform connecting Inditex with international vendors.

- **Designed** a **Microfrontends architecture** paired with backend **Bounded Contexts**.

Full Stack Engineer

MACQ (ADC) 🔗

12/2021 – 11/2023

Belgium and Spain

Architected a multi-tenant **Microfrontends SaaS** traffic platform.

- **Engineered** real-time streaming dashboards and asynchronous data tools.
- **Operated 100% in English**, collaborating with international stakeholders to ensure cross-country product localization.

Founding Engineer & Architect

Plattio & Open Source 🔗

01/2022 – Present

Bootstrapped and delivered an end-to-end Restaurant Operating System, scaling production architecture to support **50+ businesses** across Spain.
